

Prefer Green Energy,
reduce carbon emissions

GO GREEN WITH MATRI SHREE GREEN SOLAR

Dr. G. N. Gupta
Managing Director

Matri Shree group was incorporated in the year 2007. However our experience goes back to 2000, when we started as a sapling and now grown into a huge tree extending its shades all round. We have been nurtured under the erudite guidance of our MD, Dr. G. N. Gupta.

Matri Shree group has emerged as a high efficiency solar PV module manufacturing company having annual production capacity of 15 MW at Varanasi, India

In line with our company's focus on adopting pioneering and innovative technologies, our manufacturing facility has the finest machinery and equipment. Our products are designed to the highest standards of quality, reliability and performance.

The high performance Multi & Mono - crystalline modules are designed for on-grid as well as off-grid applications.

SOLAR PRODUCTS

Solar Power Generating System

- OFF GRID SOLUTIONS
- ON GRID SOLUTIONS

Solar Street Light

We offer wide range in 9/12/15/18/24 Watt street Light and higher wattage on demand (high mask street light also available)

Solar water Heater

Available in 100/200/250/300/500 LPD for Domestic, Commercial and Industrial usage.

Solar Submersible Pump

Available in 1/2/3/5/7.5/10 HP with head 30-150 meter (AC/DC pumps).

Matri Shree EPC team is specialized in providing the best suitable solar solutions for Domestic and Commercial applications.

Made in India

1000 V Vdc

Positive power Tolerance

PID resistant

High reliable Anti - reflective coated glass

IP 67 Junction Box

Windspeed - 2400 Pa

Snowload - 5400 PA

High operating currents and voltages

PRODUCT WARRANTY:

- 10 year warranty on material and workmanship
- 10 years at 90% power output, 25 years at 80% power output

Conformity to Standards : ISO 9001 : 2015 | IS 14286 : 2010 | IS 61730 : (Part 1 & 2) | PID Free

Module image for representation purpose only. Due to continues product updation, specification may change without prior notice.

On Grid System

Off Grid System

BIS Approved : Premium Solar PV Module
